

The science behind
HUMAN MOVEMENT
 is now a **STUDY**

Here is an opportunity to study, work & practice in a world class medical environment in the emerging field of Kinesiology.

Karunya University India & University of Regina Canada offer for
1st time in India

BKIN – Bachelor of Kinesiology

4 years Canadian Curriculum program (2 years in India and 2 years in Canada)

The field of Kinesiology is the study of the art and science of human movement. The application of this core knowledge is directed at optimizing human movement capability in one's everyday life. A rapidly developing, and potentially vital area of application is that of active health- the use of movement as a critical tool in both preventative and rehabilitative medicine. A plethora of career opportunities exist in active health coordination, well-ness training and disability management.

Launch Date : 6th September 2011 | Last date of Submission of Application - 25 July 2011

Single window counseling - 6th August 2011 | Course fee : First Two years in India Rs. 3 Lakhs per year

In Canada \$13500 per year for two years | Admission Processing Fee - \$60 or Rs. 2500/-
